THE 2025 53rd EDOM ART FESTIVAL | OCTOBER 11 & 12, 2025

FOOD VENDOR INFORMATION

Welcome to the 53rd Edom Art Festival 2025. We are looking forward to an exciting year for our 53rd annual. Please note that we have had some changes this year. We have a newish website and email address, www.edomarts.com and the show is produced by the Edom Craft Community. Mailing address at P.O.Box 383, Edom, 75754.

We are interested in all types of food, ethnicities, sweet and savory, and vegan alike. Please include your menu so that we can choose the vendors that we think can most complement each other and our wine garden area. If you are a new food vendor to us, please include images of your set up, and for all, we would like digital images of your food to put on the website.

If you are selling a food item not consistent with your application menu, and conflicting with another food vendor you will be asked to remove it from your menu.

FESTIVAL CALENDAR

June 15	Application Deadline
July 15	Space Fee Due
Fri, Oct 10	Early Set-up 10am – 6pm
Oct 11 & 12	10am – 5pm

*For more information, go to
VisitArtsEdom.com and click on
Edom Art Festival or call
Beth Brown (903) 258-5192*

We ask that you apply by either downloading the application and mail to address provided, or download the application and email it back to me. Deadline for application is June 15, and I will let you know immediately thereafter and space fee is due July 15. When you are notified of acceptance, you will send a check for your space.

All spaces are 10 feet deep and 20 feet wide. We provide several electric hookups but need to know your needs for placement. You cannot pull your rig out once in place for the weekend. We ask that you set up Friday, October 10, if possible, for us to get you settled if possible from 10-6. Otherwise, I will contact you to see when you will arrive Sat morning. You must arrive with set up in place by 9am Saturday. We do provide security Friday and Saturday nights. We do have constant trash pickup from the food booths during the festival, and ask that you have your own plastic receptacles for your booth. There will be a dining tent for our patrons to sit and dine.

If you are new to us please send a photo or digital image of your set up by email. Once accepted we would like to have images and promo images for our website to promote you. Please call with any questions.

Looking forward to seeing you all!

Beth Brown
